PROFILE

Innovative and adaptable IT student with hands-on experience in Python, HTML, CSS, JavaScript, and SQL, skilled in developing web applications, AI-based solutions, and sustainable technology projects, and recognized as a strong collaborator with the proven ability to work in team environments, manage deadlines, and deliver impactful results.

SKILLS

Programming:

C Programming, python, HTML, CSS, Java Script, PHP, SQL, React JS, Full Stack Development.

Frameworks/Tools:

Microsoft Excel, Figma, UI/UX Basics.

Soft Skills:

Communication, Teamwork, Problem-Solving

Languages:

English, Telugu

EDUCATION

Bachelor of Technology in information technology

Seshadri Rao Gudlavalleru Engineering College
CGPA:7.94

2022 – present

Higher Secondary(Board of intermediate education)

Pavitra Co-Operative Junior college
Percentage:87%

2022

High School(SSC Board)

Nagarjuna EM & TM School
Percentage:96%

2020

PROJECTS

Effective Food Waste Reduction Strategies

Community Service Project

Developed a plan for reducing food waste in restaurants and function halls using data-driven analysis.

Sustainable Smart City

Internship Project

Created an AI-powered system for waste, water, and traffic management using IBM Granite Model.

Leaf Disease Detection using Streamlit

Built a web app for identifying plant diseases and suggesting remedies using machine learning.

INTERSHIPS

Generative AI with IBM Cloud Intern

SmartzIntern

Developed and deployed Generative AI solutions on IBM Cloud, leveraging AI models for real-world applications.

Apr 2025 – Jun 2025

Machine Learning Intern

SmartzIntern

Built and optimized machine learning models for data analysis, prediction, and automation tasks.

Apr 2024 – Jun 2024

Frontend Web Development Intern

Apex Planet(On Going)

Designed and developed responsive, user-friendly web interfaces using HTML, CSS, JavaScript, and modern UI frameworks.

CERTIFICATES

- SQL – Oracle
- Python – Udemy
- AWS Cloud Practitioner Essentials – AWS (Simplilearn)
- Frontend Development – Infosys Springboard

INTERESTS

- Learning New Languages
- Watching Movies
